DENTAL PROGRAM BOOSTED . . . President Dan McLayne of the North Torrance Lions Club (right) presents check from his club for \$400 to Jim Becker, president, and Mrs. Ralph McBee, executive secretary, of the Torrance Dental Health Assn. The check was one of the largest single contributions made to the organization, Becker said.

VAULT SEALED . . . Area newspapers and other papers were put in cornerstone of the Bay Harbor Osteopathic Hospital located at 1437 Lomita Blvd., Harbor City, last Saturday prior to ceremony. Rev. Elden Durham, left, pastor of St. Mark's Presbyterian Church; is assisted by H. A. Jackson, retired Lomita civic leader; Glenn Wymore, hospital board president; and Dr. Bowen Jenkins, chairman of the event.

Cornerstone Ceremonies Held at Bay Harbor Osteopathic Hospital

Copies of the Torrance Herald and other area newspapers which contributed through stories and pictures to the success of the campaign to build the Bay Harbor Osteopathic Hospital, along with the business cards of those who contributed to the fund, a prayer especially written by Rev. Elden Durham, pastor of St. Mark's Presbyterian church of Lomita and president of the Lomita-Harbor City Ministerial Assn., and other pertinent data including a history of the hospital were placed in a copper vault at a cornerstone laying ceremony last Saturday. The new structure is located at 1437 Lomita Blvd. in Harbor City.

Chairman of the event was Dr. Bowen Jenkins, Rolling Hills. Guests included Assemblyman Vincent Thomas, San Pedro, honorary fund drive chairman; his daughter, Miss Mary Virginia Thomas; and Dr. Forest J. Grunigen, State Hospital Advisory Board member.

The campaign to gain Hill-Burton aid was started two years ago and when valid pledges of \$315,000 were acquired \$594,882 Hill-Burton money was added making a total of \$909,882 available for the 50-bed, Class A structure. Completion of the hospital is set for March 1960 as the original date of Nov. 1959 was delayed due to the steel shortages, it was pointed out.

North Torrance Lions Contribute \$400 to Dental Health Program

Then North Torrance Lions

Club presented the Torrance Dental Health Assn. one of the largest single donations it has ever received, according to President Jim Becker of the Dental group.

A \$400 check was presented by North Torrance Lions Club President, Dan McLayne, to Becker and Mrs. Ralph McBee, executive secretary, of the Torrance Dental Health Assn., at a recent board of directors meeting of the North Torrance organization.

McLayne said his group was proud to make the contribution because of "the good work of the Dental Health Assn. is doing for our young people who need, and can't afford, dental attention."

McLayne added that his Lions Club has always assisted vital community projects, and would continue to do so. He pointed out that the club also awards a \$50 scholarship annually to a deserving student of the Torrance Unified School District.

Other projects include a student speaking contest, support of the Torrance Tournament of Roses Float, Rancho Days, Boy Scout work, and their major project — the support of the blind.

White Cane Chairman Ron Petersen, expressed his appreciation to Torrance residents

whose generous contributions made White Cane Day so successful. He added every penny received in this drive goes to aid the blind.

Torrance Angler Wins Yellowtail Jackpot

Although high winds Sunday halted sportfishing briefly, there was no precipitation with the storm so coastal waters remain good for the large schools of barracuda and yellowtail which have been hitting.

Pacific Landings' (Long Beach) all-day free lance boat and the half-day boat provided the patrons with some red-hot fishing the past week. With

light to moderate loads of passengers, the catch for the week included:

905 Yellowtail, 889 Barracuda, 216 Calico and Sand Bass,

341 Bonito, 16 Halibut, 3 White Sea Bass, 4 Black Sea Bass, and 292 miscellaneous.

Mrs. Kay Jewell, Arcadia, took a jackpot with a 24 pound sea bass. Among yellowtail jackpot winners were: Ed Ratajack, Long Beach; W. Kiceniuk, Altadena; Joe Moine, 212 W. 223rd, Torrance.

Reports indicate there are still large schools of yellowtail on the "flats" and Horseshoe Kelp and hooks with big white sea bass are becoming more numerous.

Currently the Pacific Landings schedule is:

4 a.m.—All-day free lance boat \$8.50.
 6 a.m.—Half-day morning run \$5.
 12 noon—Half-day afternoon run \$5.

Four at Sea Found by CG

Search for four Torrance teen-age skindivers and their adult accompanist ended Monday when the group was found in a Catalina cove by a Coast Guard search party.

The day-long search began when the youths were reported missing after failing to return from a skindiving excursion on Sunday.

The teen-agers, Bill Osborne, Jack Day, Dave Turcott, and Sheldon Black and Floyd Agee, 43, were found on Agee's boat in the Catalina Cove.

Agee lives at 2706 W. 181st St., Torrance.

They explained they were unable to return to the mainland Sunday because of high winds.

341 Bonito, 16 Halibut, 3 White Sea Bass, 4 Black Sea Bass, and 292 miscellaneous.
